### EXAMINER'S AMENDMENT

An examiner's amendment to the record appears below. Should the changes and/or additions be unacceptable to applicant, an amendment may be filed as provided by 37 CFR 1.312. To ensure consideration of such an amendment, it MUST be submitted no later than the payment of the issue fee.

The application has been amended as follows:

#### In the Claims:

19. (Currently amended) A headrest for a vehicle, comprising:
- a support part;
  - a pair of retaining rods having a plurality of recesses and movably coupled to the support part;
  - a spring interacting with the retaining rods and movable between a release position disengaged from the recesses and a locking position engaged with at least one of the recesses on the retaining rods; and
  - a sliding element movable in a lateral direction relative to the support part, the sliding element to cause operable in moving the spring to move from the locking position to the release position, to permit permitting movement of the retaining rods relative to the support part.
